

Free Seating

OVERVIEW

Revcord as part of its 9.5 Software release introduces Free Seating. Free seating gives the client the ability to tie phone extensions to desktops and users. Now the customer with a client on the desktop login into a system and each call made at that system will associate that call to the User.

SOFTWARE DETAILS

The software will come as a client that will need to be installed on the individual desktops. It will provide the following functionality:

ROD (Start/Stop Recording	Association by IP Address
Loop Start Recording	Association by OTHER WAY
Continuous Recording	Call Commenting While on Call
VOX Recording
